Embracing Change, Nurturing Growth

As we step into the new academic year, our college community stands at the threshold of countless opportunities. The year ahead promises challenges and achievements, new friendships and discoveries, and the chance to grow both academically and personally. At the heart of this journey lies one crucial theme: change.

For many, college is a time of transformation. Whether it's gaining new knowledge, discovering passions, or learning valuable life skills, each experience we encounter contributes to shaping our identity. As students, we are constantly evolving, both inside and outside the classroom. The friendships we form, the struggles we face, and the triumphs we achieve all contribute to our personal growth.

In this issue of the Drisyata, we explore how change has influenced our college lives. We highlight the stories of students and faculty who have embraced new challenges, overcome obstacles, and continue to push boundaries in pursuit of knowledge and success. From innovative research projects to creative endeavors, the spirit of growth is palpable in every corner of our campus.

Here's to a year of embracing new beginnings, learning from the past, and growing stronger together.

Welcome to a new chapter.

Ms. Deepa P. S

Message from the Exe. Director

Rev. Fr. Varghese Palatty

Warm Greetings,

“While educating the minds of our youth, we must not forget to educate their heart”

-Dalai Lama.

The key to success is hardwork and genuine concern of our institution is to ensure students’ emotional growth along with intellectual excellence. This empowers them with self-esteem, self-awareness and self-confidence.

Our student population is multi-cultural, hence we teach our students the importance of tolerance and respect for other cultures. Discipline, value and integrity are the foundation of this institution. The vision of our institution is to produce conscientious and confident citizens, who by being responsible to the country make us feel proud.

The vision of Naipunnya School of Management is “ Empower the students through value based, quality and integral education, to empower others, especially socially and economically marginalized and create a Civilization of Love”.

This can be achieved only by inculcating this spirit which guides our intent and action in shaping the destiny of our college. I am immensely pleased to go through the quarterly edition of ‘Drisyata’ that celebrates the achievements of students and faculty, giving space to showcase their linguistic and artistic creative. I would appreciate the efforts put forward by all members of Drisyata for making true.

Message from the Principal

Dr. Biji P Thomas

Dear Students, Faculty, and Staff,

As we welcome another exciting edition of our college magazine “Drisyata”, I am filled with immense pride and gratitude for the vibrant spirit that defines our community. The journey we embark on each year is not just about academic growth, but also about fostering values of creativity, collaboration, and resilience that will serve each of you far beyond the classroom.

This issue celebrates the essence of learning — not just in terms of acquiring knowledge, but in understanding the importance of change, innovation, and adaptability in today’s world. The challenges we face as a society require us to think critically, embrace diversity, and continuously strive for excellence. Our college stands as a testament to these ideals, offering students the

opportunity to shape their futures in ways that reflect their passions, strengths, and potential.

I am particularly proud of the accomplishments highlighted in this magazine — from academic achievements to extracurricular triumphs. Each page reflects the hard work and dedication of our students, the support of our dedicated faculty, and the collective commitment of everyone who is part of this remarkable institution.

I hope this magazine inspires you to embrace every challenge, celebrate each success, and be proud of the impact you are making. Together, we are shaping a future filled with promise and possibility.

Wishing you all continued success and fulfillment in the year ahead.

UDYAMAM

featuring the events and activities conducted in the college.

The Postgraduate Department of Commerce and Management

FDP: From Concepts to Paper

The Faculty Development Program “From Concepts to Paper: A Primer to Publishing Research Papers” was organized by the Post Graduate Department of Commerce and Management. This session was headed by Dr. Vineeth K M, Associate Professor of Government College, Thripunithura. It was conducted on 01st June 2024 from 10:00 am. It was really a informative session and he helped the teachers to know more about the importance of paper presentation on various concepts.

Clear Skin, Clear Mind: Understanding and Managing Acne- Skin Prevention and Awareness session:

This session was organized by the Postgraduate Department of Commerce and Management on 20th June, 2024 at 11:30 am. This was really a informative session as many youngsters at this age face this issues. It was taken by Dr. Berny Jose, Specialist in laser and cosmetology, Kinder Women’s hospital, Cherthala. She explained all the factors for this issues and also suggested some tips to prevent acne and to get the clear skin. The students liked this session and they were able to learn more about skin issues and its prevention

The Postgraduate Department of Commerce and Management

Financial Literacy Program:

This was an informative session conducted by the Postgraduate Department of Commerce and Management for the students of commerce regarding the financial stability and management. It was handled by the team from Mutual Fund on 25th June, 2024 at 10:30 am. It was an engaging session where they provided students with some games and tasks to learn more about financial management. This has helped the students to know about the importance of financial stability and how to overcome financial crises in future.

The Department of Computer Science and Applications

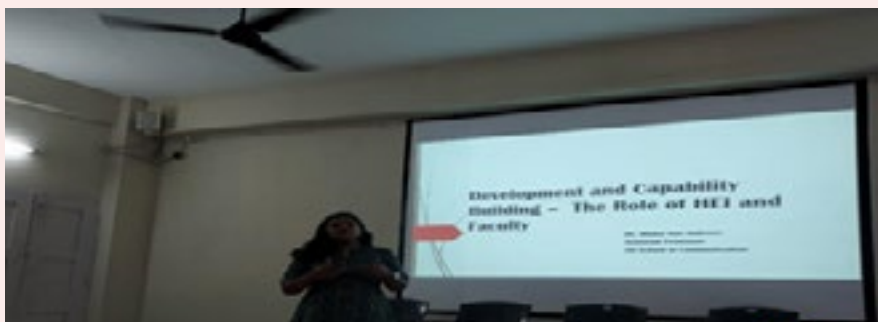

FDP: Research methodology using advanced machine learning and deep learning

The Department of Computer Science organized a Faculty development Program for the teachers on 1st June, 2024 at 9:30 am . This session was handled by Dr. Sajeev J, regarding the Research methodology using advanced machine learning and deep learning. As a teacher of Computer Science and Applications, this session seemed to be more fruitful and it has helped in gaining more knowledge about machine language.

The Postgraduate Department of English**FDP : Development and Capability Building – The role of Hei and Faculty**

The Faculty development Program titled “Development and Capability Building – The role of Hei and Faculty”. It was led by Dr. Minna Ann Andrews, Assistant professor of Sacred Heart College. This session was organized on 1st June, 2024 from 10:00 am in the LCD Room 1. It was a very interactive session and the information shared by the resource person was very effective in order to develop the skills and capabilities

The Department of Hotel Management

FDP - Hospitality Educators Symposium

The Faculty Development Program titled “Hospitality Educators Symposium” was successfully conducted by the Department of Hotel Management at Naipunnya School of Management, Cherthala. The event took place on Saturday, 01 June 2024, from 10:00 AM to 12:00 PM at Hotel Amal Tamara, Alappuzha. It was an interactive as well as an informative session our teachers.

Alumni Talk - ORGANIZED SUCCESS

The Department of Hotel Management hosted an enriching alumni talk titled “ORGANIZED SUCCESS.” The event featured Mr. Prince Thomas, an esteemed alumnus currently employed as a housekeeping staff member at Hyatt Regency, Trivandrum. The session was held in the HM classrooms on 5 June, 2024. It provided students with a unique opportunity to learn from Mr. Thomas’s professional journey and insights into the hospitality industry.

The Department of Hotel Management

Mathews Muthabikh

The 39th edition of Mathews Muthabikh, also known as ROYAL THALI, was successfully conducted on June 6, 2024 by the Department of Hotel Management. This event was orchestrated by the Fourth Semester A & B batches of students, who showcased their culinary and service skills in a highly coordinated manner. The B batch was responsible for the production aspect, while the A batch managed the service operations. Under the guidance of Faculty Coordinator Chef Mathew and Mr. John A Melvin, this programme was nearly an inspiration for the students.

Mathews Muthabikh

It was the 42nd Edition conducted on 12th June 2024 by first semester B batch students of the Department of Hotel Management. Five- C batch students were in charge of Food service and Five were in food production. The faculty coordinator was Chef Gopakumar, Mr. Manu M U and Mr. Jophy Jose. This was a great experience for the students as they were able to learn the importance of earning while learning.
