EDITOR'S DESK

Ms. Theertha K S

Dear Readers,

It is with immense pleasure and a sense of pride that we present to you the latest edition of our college's quarterly magazine. As the editor, it is my privilege to share with you a glimpse into the wonderful journey of our institution, as depicted through the pages of this publication.

Change is a constant in our lives, and it's no different for our college. We've embraced change as an opportunity for growth and transformation. In this issue, we celebrate the changes that have shaped our college community, whether it's the remarkable achievements of our students and faculty, the cultural events that enrich our lives, or the evolving dynamics of our campus.

Our college is more than just a place of learning; it's a place where cultures converge, where ideas are exchanged, and where lifelong friendships are forged. The stories we share in this issue reflect the warmth and unity that define our college.

In Drisyata, we recognize the tireless efforts of our educators, whose passion for teaching and research enriches the academic landscape of our college.

Drisyata celebrates the cultural diversity and artistic expression that fill our campus with vibrancy. It's a reminder of the beauty of different traditions coming together.

Our heartfelt thanks go out to our contributors, writers, and the dedicated editorial team for their passion and hard work in bringing these stories to life.

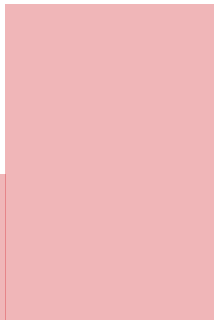

Warm regards,

Theertha K S

Assistant Professor

Postgraduate Department of English

NAIPUNNYAM

A message from the Principal

Greetings!

I am pleased to introduce the latest edition of our college's quarterly magazine, a reflection of the spirit, dedication, and boundless potential that define our academic community.

Within the pages of this magazine, you will discover a world of knowledge, creativity, and achievement that mirrors the diverse and dynamic nature of our college. It showcases the remarkable contributions of our students and faculty, highlighting their unwavering commitment to excellence.

The past months have presented us with unique challenges, and yet, they have allowed us to showcase our resilience and adaptability. Our students have continued to excel in their pursuits, while our faculty has demonstrated exceptional dedication to their roles as educators and mentors.

I extend my heartfelt gratitude to the diligent editorial team, the gifted contributors, and the talented artists who have poured their efforts into this publication. Your dedication and passion shine through every page, making this magazine a true representation of our college's spirit.

To our students, I encourage you to delve into the stories, articles, and accomplishments presented within these pages. Let this magazine inspire you to push your boundaries and reach for greater heights in your academic and personal endeavours.

As we celebrate the release of this quarterly magazine, let us also celebrate the unity and diversity that define our college community. Together, we are a powerhouse of knowledge, progress, and shared achievements.

Congratulations to all those who have contributed to this exceptional publication. I am immensely proud of your contributions, and I eagerly anticipate the continued success and growth of our college.

Fr. Baiju George Ponthempilly

UDYAMAM

DEPARTURE

It's a weary day,
I am alone
My love is at mars
Hopes are beyond the stars

Raptures are frozen
Miseries are now zenith
Something that tighten me
Earth calls me back

I had to embrace him
It's a heavenly locus
It's a long leave for me
I can't see you anymore

This is not an escape
It is unforeseeable
Its time to leave
I have to go

AMINA M.N
S2 MA

Moody clouds dwell up my cloudy mood,
It's rude in my mind to ignore the rainy dew.
I'd let the droplets to mingle with,
My 'eye-let' drops cos of a single myth.
They said I'm cold as a haily rain,
Dweller of broad and craving pain.
They said thunder's my mayday scream,
But their blunder makes up my day dream.
Cos days always swing along with,
My mood swings, light to grey sudden
Just like a bluish dream.
So pals, my life's like a rubik's,
A beautiful mess, and rain makes me
Caress my moody jest. Let me be,
As the way I am, no need to digest
I'm agoraphobic and rain makes it nothing less !

AGORAPHOBIC ON A RAINY DAY

Harikrishnan A S, S3 MA

മഴ : ഒരു ഓർമ്മക്കുറിപ്പ്

T M JOYAL, S3 MA

അന്നു പെയ്ത മഴയെ
 കണ്ണിമ ചിമ്മാതെ നോക്കി
 ഉമ്മറപ്പടിയിൽ ഒരു കൊച്ചു കുട്ടിയെപ്പോൽ
 നോക്കി നിന്ന നിമിഷം
 ഞാനറിഞ്ഞു..... എന്റെ മനസിന്റെ
 ഓർമകളിലേക്ക് മടങ്ങാനുള്ള
 കൊതിയെ.....

മഴയെ വാരിപ്പുണർന്ന കുട്ടിക്കാലം
 മഴത്തുള്ളികളുടെ കുളിരിനെ
 ശരിരത്തിലേക്കാവാഹിക്കാൻ കൊതിച്ച കുട്ടിക്കാലം
 അമ്മയുടെ ചുരലിനെപ്പേടിച്ച്
 മനസിന്റെ ആഗ്രഹങ്ങളെ
 പിടിച്ചു നിർത്തി വന്ന കുട്ടിക്കാലം

പിന്നെയും അന്നത്തെ ആ മഴ
 എന്നെ പിറകിലേക്ക് വലിച്ചു...
 ഒരു കളിക്കൂട്ടുകാരികൾക്കും
 അവളെ കാമുകിയായും, ജനാലയ്ക്കപ്പുറം
 തീക്ഷണമായ നോട്ടുവുമായി
 എന്നിലെ സർഗ്ഗരമകതയെ ഉണർത്തുന്ന ക്ലാരയായും
 അങ്ങനെയങ്ങനെ, തീക്ഷണമായ യൗവനത്തിന്
 നിറം പകരുന്ന ഒരുപിടി ഓർമകളുടെ
 ഹേതുവായ മഴ.....

ഒടുവിലൊരു നാൾ
 ജീവിതത്തിന്റെ മരുവിലേക്കിറങ്ങിത്തുടങ്ങിയ നിമിഷം
 മഴ അതിന്റെ റൗദ്രഭാവവുമായി
 എന്റെ കൊച്ചു വീട്ടിലേക്ക് ഇറച്ചുകയറിയ നിമിഷം
 ഞാനെന്ന ഏക ആശ്രയത്തെ ചുറ്റിപ്പിണഞ്ഞു
 നിന്ന പകാളിയെയും കുട്ടികളെയും
 ഇതിനെന്തെന്നറിയാതെ പകപ്പോടെ നോക്കിയ നിമിഷം
 ഞാനറിഞ്ഞു, കാമുകിക്കും ക്ലാരയ്ക്കുമപ്പുറത്തുള്ള
 അവളുടെ മറ്റൊരു രൂപത്തെ

എങ്കിലും സുഖവും ദുഃഖവും കലർന്ന
 ജീവിതത്തിന്റെ ഏടുകളെ
 ഒരു കട്ടൻകാപ്പി നുണയുന്നപോൽ
 ഓർക്കാനും ഓർത്തോർത്ത് ചിരിക്കാനും
 ഒരിറ്റ് കണ്ണീരൊപ്പാനും
 വന്ന വഴികളെയെല്ലാം ഒന്നോർമ്മിച്ചെടുക്കാനും
 കാരണമായത്
 അന്നു പെയ്ത മഴയും, അത്
 മണ്ണിനും മനസിനും ഒരുപോലെ നൽകിയ
 ആർദ്രമായ ഓർമകളുമായിരിയുന്നു.

Make Hay while the Sun shines:

Kalyani Sumed
S3 B.Com Finance

Our Life is not filled with opportunities. We have to reach for opportunities. There may be hundreds of reasons behind a failure but there will be hundreds of failure behind a success". Every time we cannot succeed sometimes we have to fall. Then don't stop there because failure is the key to success, seek all the opportunities you have. "Don't wait for the opportunities to come to you, just go and seek them". May hay while the sunshine's"

Once there lived a girl named Daney, she was not rich, she was from a poor family in the village named Kandul. She was only 12 years old but did the work of a woman. A few years ago, her father died due to blood cancer, due to shock, her mother was paralyzed. So it was her to take care of her paralyzed mother and younger brother Don. Daney, had to wake up early in the morning had to do all house hold activities, she used to supply newspapers in the medical shop to give away the medicines. Her school teachers used to complain to her uncle, Muni, a farmer, that Daney was not coming to the class regularly. But the thing was that she always stood first in the class. Her classmates always blamed her that she was doing some malpractices. Daney did not give ears to such useless talks. She always went to the medical stop for helping the lady in packing the medicines and all. She used to read the newspapers which were brought there to pack the medicines. During the free time, she would study the school notes. During evening she had to make her mother change the clothes, cook food for dinner.

She used to wake up early in the morning and study for a little time, then she would go the nearby lake to wash the clothes. After a few years her mother passed away It was really a shock to her, her mother's death was on the day before her board exam. she did not skip the exams, all the villagers blamed her but she did not mind them as it was her 10th board examination. She also completed her plus one and plus two. Later she joined for degree and made her brother to stay at her uncle's house. Do you know, today who is she? She is working as collector in the district Rajpur. Everybody was just shocked how she could become a collector? She is now working hard for girl's education, she was not rich with money but she was rich with knowledge and utilized each and every opportunity she had. She did not become weak when her mother died but she became stronger. We have so much of examples in front of us like Mr.Sivan, ISRO chairman. He was from a poor Tamil family but due to his richness in knowledge, he became ISRO chairman. There are so many other examples in front of us. Just utilize the opportunities you have, then surely success will seek you. " MAKE HAY WHILE THE SUNSHINES", Dort wait for the opportunities to come near you just go to them and seek them. Daney did not have so much opportunities. But she made them, she worked hard. That's why success was with hers.
