

NAIPUNNYA RESEARCH FORUM (NRF)

Research Forum, an initiative of our college was started with the aim of including research aptitude among faculties and research scholars. It encourages research interest among faculties and the exchange of information regarding various aspects of educational research. The ultimate goal of the research forum has been to promote research related activities for the benefit of the educational society at large. Research forum also provides an opportunity to faculties and research scholars to present and discuss their research work.

Objectives

- To organize, plan, coordinate state/national/ international seminars, conferences, workshops and webinars periodically
- To sign contracts between the college and any service providers.
- To encourage faculty members to apply for major, minor research projects
- To ensure smooth functioning and effective management of research innovation activities at the institute.
- To promote collaborative research
- To review and oversee the implementation of college policy on research ethics.
- To review annual reports related to research and to make recommendations to the council.
