

FLOOD RELIEF ACTIVITY – DISTRICT ADMINISTRATION ALAPPUZHA

In August 2018, Kerala was affected with a devastating flood that was unprecedented, due to high rainfall. Over 483 people lost their lives and over a million people were evacuated. Alappuzha being a low-lying area was severely affected. It was a social cause for which we Naipunnya's stood for. Our faculties, staff, students, management and even the premises were utilized to soothe the sufferings of the people who were affected. Our college was converted as a camp for people to stay. Class rooms became home for people, the campus was filled with people, students, faculties and management became volunteers -day and night they stayed at the campus to facilitate any facilities that were needed for our guests from the affected areas.

Flood Relief ventures by our students
