

HACKATHON – GOVERNMENT OF KERALA – APPRECIATION LETTER 2020
Report

“Reboot Kerala Hackathon” was a competition conducted by the Higher education department – Government of Kerala seeking new ideas from students of different engineering colleges for problems faced by different departments in the government of Kerala. It was conducted at Naipunnya college campus from 28th February to 1st of March 2020. Day and Night programs were multiple groups of students developing solutions for given problems. Naipunnya Students and teachers were the facilitators and volunteers of the program. ASAP and Ministry was very much pleased and appreciated the way it was conducted and several high ranking officials, Ministers , MLAs & MPs visited the campus during the program

Visit by Senior Chief Secretary – Dept of Higher Education

Visit by Member of Parliament

Visit by Finance minister of Kerala
