REPORT OF TRAINING PROGRAMME ON BASICS OF COMPUTER

**NIRMALA ENGLISH MEDIUM SCHOOL,
THANNERMUKKOM ALAPPUZHA**

Naipunnya School of Management Organized a training section for students of Nirmala English Medium School on the basics of computer training. This training program was conducted on 30-11-2021. The training session started at 10 AM and ended at 12 PM. The training session was inaugurated by the principal Ms.Sreeja CR. The students offer a great opportunity for students to learn about the basics of computers. The training session was very informative and useful to the students. The training session was handled by S6 B.sc students of Naipunnya. The students give ideas about computers.

In today's world, being a modern-day kid you must have used, seen, or read about computers. This is because they are an integral part of our everyday existence. Be it schools, banks, shops, railway stations, hospitals or your own home, computers are present everywhere, making our work easier and faster for us. As they are such integral parts of our lives, we must know what they are and how they function. Computers have become the most essential part of human life. At present computers can easily see every sector. There can be several different reasons why computers are actually required. We can summarize the reasons for the requirement for computers in three words efficiency, reliability, and accuracy. There it is very necessary to have knowledge of computer basics. The training session was successfully completed by our students. And the participants get aware of the basics of computers
