**ST. JOSEPH'S COLLEGE OF PHARMACY, MUTTOM CHERTHALA**

Naipunnya School of Management, Cherthala conducted a training session for students of St. Joseph College of Pharmacy on spoken English training. This training program was conducted on 09-08-2021. The training session was inaugurated by the school principal who delivered a speech to the audience. Good English is not only classy but a possibility to continue studies and specializations in the best universities in the world, which are in fact, in countries where they speak English. Education is very important to improve yourself but learning English also improves the quality of life. You have access to jobs that you could not even take into consideration, you can evaluate an international career and you can live in many countries with the ease of being able to go shopping or negotiate rent for the house. The benefits they bring in the life of a person's knowledge of the English language are countless. What is important to understand is that the English language is able to knock down a lot of barriers, including cultural ones.

Ms. Adithi Ashok, who has been in the field of the English language conducted the session for students. The session includes theory and practical sessions in which students are given topics and invited for discussion at the desk to motivate and encourage others. Students are also asked to participate in games specially designed by experts to enhance their English language vocabulary. Ms. Anuja C provided guidance regarding topics like how to enhance vocabulary in the English language, how to find good literature to read, the importance of English writing to learn about the language, and motivated students to increase their command over English speaking and removed stage fear while speaking English.
