REPORT OF TRAINING PROGRAMME

ST. JOSEPH'S SOCIAL CENTRE, THURAVOOR

Naipunnya School of Management conducted a training session for students of St. Joseph Social Centre on vocabulary training. This training program was conducted on 14-07-2022. The training session was inaugurated by the school principal who delivered a speech to the audience. The training is aimed to encourage students to learn and explore vocabulary and English skills to enhance their communication skills. Campus placements are one of the biggest events in every student's life. It's easy to see just how important English is around the world. Many international businesses conduct meetings in English; universities teach courses in English and, around the world, tourists and travelers use English as a common language. The training session was handled by 4 students of Naipunnya from the English department. Our students Chaithanya Sanal, Archana R, Dona Mary Christopher, and Anupama A. In this program around 86 students have participated.

The training session was very informative and students enjoy the way of presentation of vocabulary. The students understood the importance English language in effective communication.
