Dear Sir,

Subject: Permission letter for Industrial awareness class**“Greetings from CMS College (An autonomous), Kottayam”**

The CMS College is one of the first colleges in India. It was founded by the Church Missionary Society of England, in 1817. The college has 200 years of excellence. 2018 witnessed the inauguration of UGC sponsored three year regular Vocational degree course (B.Voc Travel, Tourism and Logistics Management).

The course offers multiple exit points. Students can leave at the end of first year with a diploma, at the end of second year with an advanced diploma and at the end of third year with a professional degree. It is an undergraduate course in Travel and Tourism focused on tourism skills and employability. The course includes Tourism management, Tourism development, Tour operation, Travel Agency Management, Hospitality and Hotel Operations, Airport handling, Aviation Terminologies, Logistics, Transportation Management, and more. CMS is soon emerging to be a premier Tourism and Travel Management College in Kerala. The college takes every step to encourage, promote and help the students to be familiar with the practical application of tourism industry and upgrade their technical skills.

On behalf of the B.Voc Department, I am writing this letter to you for getting your permission to conduct an Industrial awareness Visit in your esteemed college.

We the team decided to give some practical education to the students about the industrial procedure and facilities Hotels. For that, your college is the best place to carry on the same. In that case, we kindly expect your support. The 9 students will be the part of the visit and accompanied by 3 teachers. We just take half day session for the Industrial awareness class.

Hope you understand the need of the visit for the education purpose.

Yours faithfully

Aravind G Nair

CLEAN CHERTHALA 2K19

A Massive Cleaning Drive

In connection with the 150th Gandhijayanthi celebrations, the UBA cell of the college arranged a massive clean drive titled *Clean Cherthala 2k19* in different parts of Cherthala taluk on 2nd October 2019. The Cell organised this programme in collaboration with the different governing bodies of the government of Kerala namely Department of Police, RMO Office, KSEB, KSRTC, DTPC, Municipality of Cherthala , District Private Bus Operators Association, and Rotary club of Cherthala. 1500 students and 150 teaching and non-teaching staff participated in this cleaning drive with utmost enthusiasm. The UBA Cell of the college got full and wholehearted support and cooperation from other clubs like NSS, CGS and Nature club of the college. The places those were cleaned by the students include,

1. The Police Station, Cherthala
2. Government Taluk Hospital, Cherthala
3. Government Ayurveda Hospital, Cherthala
4. KSEB Office, Cherthala
5. KSRTC Bus Station, Cherthala
6. Private Bus Station, Cherthala

12. Andhakaranazhi Beach, Cherthala
13. Arthunkal Beach, Cherthala
14. Irumbupalm Road, Cherthala
15. College Road, Cherthala

It was really a wonderful experience for the students as well as the staff. The CI of Police Mr. Mohan Lal appreciated the service attitude and determination of our UBA volunteers. The Doctors and staff along with the RMO did not forget to applaud on the sincerity and dedication of our students which they have shown throughout the day. Due to the charismatic service of our volunteers, the Rotary Club of Cherthala offered further helps and cooperation in the future endeavours of the UBA Cell of Naipunnya College. The Mararikulam beach resort managers and staff offered an evening tea and snacks as a token of their gratitude. By this massive cleaning drive the UBA cell proved that the volunteers can make wonders if they are strongly determined. They realized the need for a clean, hygienic and pollution free nature.

Activity Report

‘Save Chellanam’

A Geo-Bag Production Campaign Conducted At Chellanam.

15th– 21st June 2019

The UBA cell of Naipunnya College cannot rest from taking up social responsibilities. We cannot turn our eyes from our suffering and affected fellow beings. The UBA cell had arranged a social extension activity at Chellanam. The place is so notorious for sea intrusion and other sea related calamities. During Okhi cyclone, almost 10 people were killed here by sea intrusion. Many lost their houses and livelihoods. Only the sea walls (Pulimuttu) could help them from further calamities. To help them in this regard, along with district administration department and E-Unnathi, an NGO, 70 of our cell members conducted a Geo-bag production campaign. The campaign and production of geo-bag was conducted from 15th June 2019 – 21st June 2019. The cell actively helped the local authority and the villagers by making geo-bags to prevent sea water from entering into their houses. The campaign was conducted in the different parts of Chellanam, namely Companypady and Bazaar, which were severely affected by the intrusion of sea water. The volunteers of UBA Cell and the NSS Unit of Naipunnya School of Management, joined their hands together to create geo-bags filled with sand in order to build an embankment on the coastal areas. These sand bags (geo-bag) embankment worked as a sea wall and reduced the speed of the tide and prevented sea water from destructing their households.

The programme was headed by UBA coordinator Mr. Xavier Paul and faculty members including Mr. Vishnu Gopal, Mr. Dominic Michael and Mr. Binoj T.T. These attempts of our UBA volunteers to save the lives of the villagers were well appreciated by the District collector of Ernakulam, Mr. Suhas IAS. The activities of our students were recognized by the media and was covered with sufficient importance in the newspapers. The local government representatives and the villagers expressed their deep sense of gratitude and indebtedness to our students.

WORK REPORT 2019-20

NAIPUNNYA SCHOOL OF MANAGEMENT

CHERTHALA.

13th January 2020

Under the guidance of our principal Rev. Fr. Baiju George Ponthempilly, and with the support and cooperation of our faculties and students, the Unnath Bharath Abhiyan Cell of our college has achieved a great and wider range of acceptance among the villagers of our place. This acceptance has been working as a catalyst to implement the objectives and goals of UBA in an effective manner. During the academic year 2019-20, the cell has organized various activities for the betterment of the commoners' lives of our adopted villages. The UBA Volunteers have exhibited a sheer enthusiasm and charisma throughout their activities. During the academic year 2019-20 the cell mainly focused to create a rapport with the adopted villages. In order to create this rapport the volunteers have visited the adopted villages. During these visits they have contacted the concerned local authorities, communities and other government officials and communicated the objectives and goals of UBA.

The UBA cell of Naipunnya College cannot rest from taking up social responsibilities. We cannot turn our eyes from our suffering and affected fellow beings. During the month of June, from 15-21 the UBA cell of Naipunnya college was engaged at Chellanam. The students were helping the people in coastal areas to save their houses and belongings from the sea intrusion. The cell was actively helping the local authority and the villagers by making geo-bags to prevent sea water from entering into their houses. They worked at Chellanam in the areas including Companyady and Bazaar, which are severely affected by the intrusion of sea water. The

volunteers of UBA Cell and the NSS Unit of Naipunnnya School of Management, joined their hands together to create geo-bags filled with sand in order to build an embankment on the coastal areas. These sand bags (geo-bag) embankment worked as a sea wall and reduced the speed of the tide and prevented sea water from destructing their households. The programme was headed by UBA coordinator Mr. Xavier Paul and faculty members including Mr. Vishnu Gopal, Mr. Dominic Michael and Mr. Binoj T.T. These attempts of our UBA volunteers to save the lives of the villagers were well appreciated by the District collector of Ernakulam, Mr. Suhas IAS. The activities of our students were recognized by the media and they have covered the same with sufficient importance in their newspapers. The local government representatives and the villagers expressed their deep sense of gratitude and indebtedness to our students.

Since our adopted villages are surrounded by water, we have given more priority to the polluted water bodies and tried to remove plastics and clean it. During the month of August the cell members arranged a clean drive in the water flood affected areas. 50 UBA Volunteers participated in this cleaning. The activities of the UBA cell were praised by the villagers and the local authority.

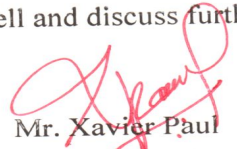

In connection with the 150th Gandhijayanthi celebrations, the UBA cell of the college arranged a massive clean drive titled *Clean Cherthala 2k19* in different parts of Cherthala taluk on 2nd October 2019. The Cell organized this programme in collaboration with the different governing bodies of the government of Kerala namely Department of Police, RMO Office, KSEB, KSRTC, DTPC, Municipality of Cherthala, District Private Bus Operators Association, and Rotary club of Cherthala. 1500 students and 150 teaching and non-teaching staff participated in this cleaning drive with utmost enthusiasm. The UBA Cell of the college got full and wholehearted support and cooperation from other clubs like NSS, CGS and Nature club of the college. The places those were cleaned by the students include,

1. The Police Station, Cherthala
2. Government Taluk Hospital, Cherthala
3. Government Ayurveda Hospital, Cherthala

4. KSEB Office, Cherthala
5. KSRTC Bus Station, Cherthala
6. Private Bus Station, Cherthala
7. Railway Station, Cherthala
8. Vegetable And Fish Market, Muttam, Cherthala
9. Municipality, Cherthala
10. Anganwadi, Velorvettam, Cherthala

12. Andhakaranazhi Beach, Cherthala
13. Arthunkal Beach, Cherthala
14. Irumbupalm Road, Cherthala
15. College Road, Cherthala

It was really a wonderful experience for the students as well as the staff. The CI of Police Mr. Mohan Lal appreciated the service attitude and determination of our UBA volunteers. The Doctors and staff along with the RMO did not forget to applaud on the sincerity and dedication of our students which they have shown throughout the day. Due to the charismatic service of our volunteers, the Rotary Club of Cherthala offered further helps and cooperation in the future endeavours of the UBA Cell of Naipunnya College. The Mararikulam beach resort managers and **staff offered an evening tea and snacks as a token of their gratitude. By this massive cleaning drive the UBA cell proved that the volunteers can make wonders if they are strongly determined. They realized the need for a clean, hygienic and pollution free nature.**

The UBA cell conducts a weekly meeting on every Wednesday to analyse the activities of the cell and discuss further activities.

World Ocean Day Celebrations

Naipunnya School of Management celebrated 'World Oceans Day' on June 8 2019, in collaboration with UNDP Ocean Action Hub. We began the journey from the college to the beach on that day at 9.30 a.m, from the college and reached the *Andhakaranazhi* beach within half an hour. Soon after we arrived there, Rev.Fr. George Mavumkoottathil, local parish priest at St.Xavier's Church *Azheekal* was ready to inaugurate the program by giving a message on 'Ocean Conservation'. UNDP Ocean Action Hub Online Volunteer Alex was introduced and welcomed Father George to the program and the students as well. Throughout his speech Father highlighted the need for the preservation of oceans and coasts for the future generations as well as the contemporary world. The formal gathering was concluded with the thanks giving speech by Xavier Paul, one of the Coordinators of the Ocean Action Hub in the college.

Soon after the official ceremony, students began to clean *Andhakaranazhi* beach area with so much vigor and enthusiasm. While majority of the students were engaged in the cleaning activities, another group was involved in making a poster exhibition by reflecting the importance of the day. By being part of all these awareness programs students were able to have a new perspective on 'Ocean Conservation' and they have agreed to cooperate more with UNDP Ocean Action Hub to spread awareness on 'Ocean and Marine Conservation' through connecting other educational and social institutions as well. These highly insightful beach cleaning initiative and exhibition activities were conducted under the guidance of UNDP Ocean Action Hub Volunteer Alex.K.O and his colleague Xavier Paul from the Department of Languages at Naipunnya School of Management.
